

# Advancing Green Infrastructure Technical Assistance Expression of Interest Form

<b>Town or Locality</b>	
<b>Contact Name and Title</b>	
<b>Email Address</b>	
<b>Phone Number</b>	

- 1. Assistance Requested (GI educations/meeting; concept design, full design, funding application assistance)**
- 2. Briefly Explain Project Need**
- 3. Does the project assist community in implementation of another plan or resource need?** If so, please list. (e.g. source water protection, flood mitigation, combined sewer overflows)
- 4. Financial or In-kind capacity to follow through with next steps.** Explain your municipality's ability and interest in moving project forward beyond the assistance provided here.

You may attach your responses in a separate document or go beyond the space provided here to fully explain your request, if needed. When complete, submit the form electronically to **Alana Hartman**, Potomac Basin Coordinator, WV DEP, [Alana.C.Hartman@wv.gov](mailto:Alana.C.Hartman@wv.gov).
